

4th May 2021

Dear parents/carers

As part of the Religious Studies GCSE, students complete a study of Judaism. To support their learning we would normally arrange a visit to the Jewish Museum in Manchester. Unfortunately, due to the pandemic this will not be possible this year. In order to ensure that students do not miss out completely, I have arranged for delivery of a virtual workshop by the Jewish Museum in London on **Preparing for Passover**. Students will discover the traditions of preparing for the festival of Passover and explore some symbolism and key themes of Passover linked to the story in the Torah through investigating an object from the Museum's collection. This will enhance students' understanding of Passover, which is a key theme.

The workshops will take place during the normal RE lesson time on **Tuesday 25<sup>th</sup> May**

There is a charge for the workshop of **£3.75** per student.

Please pay this via parent pay by **Wednesday 19<sup>th</sup> May**

Yours Sincerely

Mrs J T Conlon  
Head of Religious Education
