

10 January 2020

Dear parents and carers of year 9 students,

RE: SECONDARY SCHOOL BASED VACCINATIONS FOR TEENAGE BOOSTER AND MENINGOCOCCAL ACWY

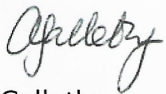

In secondary schools, the School Age Immunisation Service (SAIS) for Derbyshire will be offering all year 9 students the Teenage Booster (Tetanus, Diphtheria and Polio) and the new Meningococcal ACWY (Men ACWY) which replaces the Men C.

The date for the immunisation session at this school is **11 February 2020**.

E-consents will be used for the Teenage Vaccination Programme. Below you will find information from SAIS on how to complete the e-consent. Please note that students can self-consent on the day, however this creates much more work for the NHS staff and team. Therefore, please complete the e-consent as soon as possible.

Thank you in anticipation of your support.

Yours sincerely,

A Galletly
Deputy Headteacher

Dear Parents/Carers

From September 2019 we will be using e-consent for the Teenage Booster, and Men ACWY vaccination programme. We will be vaccinating girls and boys in Year 9.

Please visit <https://www.derbyshireandcityimms.co.uk/> or **SCAN ME** (for iPhone and Android's with the "scan me" app) and click on the Diphtheria, Tetanus & Polio, Men ACWY icon to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

Your unique school code for St Thomas More Catholic Voluntary Academy is DD146128

For more information about the vaccination and the date we are due into your school please visit our website:
<http://www.derbyshireschoolnurses.org.uk/parents/immunisations>

If you experience any problems please call the School Age Immunisation Team.
