

BHS Educational Workshops

Parental Consent Form

Dear parent,

We are visiting your child's school on the ___ / ___ / _____ to conduct one of our R.E. workshops. During the workshop we will be using face paint to paint some of the children's faces and hands. In order to do this the school requires your consent; therefore please sign this form agreeing for your child/children to have their face painted. We may also use high quality (chemical free) henna during one of the sessions.

Please note that *not all the children* will have their face painted as there will be different activities and only **some children** may have their face painted or have henna done on their hands and arms.

Many thanks for your co-operation in this important matter.

I hereby agree to my child _____ having his/her face and/or hands painted by Fun Learning Interactive Workshop staff.

Tick box for face paint

Tick box for henna (temporary tattoo)

Signed: _____

**Our company uses Hobby Craft SNAZAROO face paint and hypoallergenic ink.
The henna used is pure quality and chemical free.**
