Dear parents and carers,

## Identity: Who I Am, Who I Can Be

19<sup>th</sup> November 2020

We would like to let you know about an important event that we have planned for Year 8 pupils on Thursday 19<sup>th</sup> November. 'Identity: Who I Am, Who I Can Be' will be run in school during the school day. Pupils will be off timetable, will not attend their usual lessons, and can come to school in their own clothes. Through a series of games, activities and workshops, pupils will have a chance to reflect together as a year group on themselves and their potential.

We have planned this day as part of our Recovery Curriculum specially for Year 8. Their crucial first year at secondary school was cut short before they had the chance to fully settle in to our community. We want to give them a chance to build connections with their form group and their year group. Importantly, we also want them to begin to remember their own unique value, re-build confidence and belonging, and recognise their potential to contribute meaningfully to their community and the world.

We are very excited about the day which will be led by their form tutors and our Chaplain, Chris. We are planning hot chocolate, prizes and lots of fun! We encourage the children to wear something (however small) in their House colours on the day.
