Dear Parent/Guardian,

I would like to suggest that you purchase for your child a combined revision guide and study pack (published by CGP) for use both in Food Preparation and Nutrition lessons as well as at home, in independent study.

**We can order these through school at a price of £5.50. Please pay via ParentPay.**

For in-school use, we also have a set of Eduqas revision guides available.

Thank you.

Yours sincerely,

J. Birch
