Dear Parent/Guardian

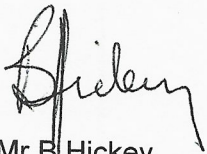

We received a telephone call yesterday informing us that we will be inspected next Wednesday under Section 48 of the Education Act. That is, as a Catholic school, we will be inspected on our Catholic Life, Catholic Acts of Worship and the standards in Religious Education.

There will be 3 inspectors who will look at the whole school in terms of us being a Catholic school.

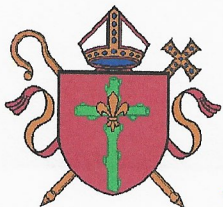

I have attached a leaflet for parents with further information on what this means.

Thank you for your continued support.

Yours faithfully
