

18<sup>th</sup> May 2021

Dear Parents & Guardians,

**RE: HPV PAPILOMA VACCINE  
YEAR 9**

The School Age Immunisation Service (SAIS) for Derbyshire and Derby City will attend school to give the HPV (Human Papilloma Vaccine) to Year 8, 9 students and will aim to catch up any students from Year 10 and 11 that have missed their vaccination due to the COVID pandemic.

The date for the immunisation session is: **09 June 2021**

E-consents will be used for the vaccinations. Below is the information from SIAS on how to complete the e-consent. Please note Legally students can self-consent on the day if they are 13 years old and assessed as competent by staff members, however this creates much more work for staff and the team. Therefore please reiterate to students how important it is to complete the e-consent as soon as they are notified.

Dear Parents/Carers of Year 9 students

We will attend school during the summer term to vaccinate Year 9 students with the HPV Human Papilloma Vaccine.

We have already got consent forms for the majority of Year 9 students and most have already been given their 1<sup>st</sup> HPV vaccination, however there are still some Year 9 students that would like their 1<sup>st</sup> HPV vaccination but were unable to receive this last year due to the COVID pandemic.

If you have already completed the HPV consent form we will vaccinate with either the 1<sup>st</sup> or 2<sup>nd</sup> dose of HPV during the summer term at school. However if you would like your child to receive their HPV vaccinations and you **haven't** already completed the consent form please visit [Vaccination Consent \(derbyshireandcityimms.co.uk\)](https://www.derbyshireandcityimms.co.uk) to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.
