11th September 2019

Dear parents and carers,

We were delighted to welcome all of the pupils back to school last week. They all look so smart in their uniforms and attendance has been very good. Thank you for setting a high standard and we look forward to your continued support in maintaining this as the year progresses.

Lost Items

It is very important that your child's name is written clearly in all items of uniform, especially PE kit and equipment such as a school bag or pencil case. We were left with several bags of unclaimed property at the end of the summer term. Pupils will be given ample opportunity to re-claim any lost property but eventually the items will be sent to Devizes (a clothes collection charity).

Early closures

I wish to draw your particular attention to two early closures this term.

To facilitate this year's year 6 Open Evening, the school will close early on Wednesday 25 September. Pupils will be dismissed at 2.10pm. This is to ensure that they have plenty of time to catch buses or the train. Pupils who have volunteered to help during the evening will be given a separate letter.

The school will close early again on Tuesday 8 October to facilitate staff INSET training. Pupils will be dismissed at 1.30pm.

Yours sincerely

A Galletly
Deputy Headteacher
