

July 2018

Dear Parent/Carer

In order to help parents with planning and the busy school schedules, we have designed a St Thomas More School Calendar.

The calendar is based on the academic year and so starts from September 2018. It contains dates of Parents Evenings, term and holiday dates, Inset days, exam weeks, Masses and assemblies, trips and events such as Open Evening.

The calendar has been produced using quality photographs of school events, scenes and trips.

The cost of each calendar is £8.50.

If you would like to purchase one or more, please send in a cheque made payable to St Thomas More School or cash to the main office with your name and child's name clearly indicated.

We hope that you will take advantage of this offer as not only will it help with your busy schedules but it will also raise funds for the school through the FOSTM (PTA).

Many thanks

Yours sincerely

Mrs S Waldron
Business Manager
