

Dear Parent/Carer,

Now that Year 11 pupils are nearing the end point in their final year, attention is inevitably drawn to preparation for the final stages of their examination courses. For many pupils there are important controlled assessment projects still to be completed and, of course, there are final examinations to revise for.

I would like to draw to your attention a variety of coursework and revision sessions that staff are offering. Attendance at these sessions will greatly enhance your child's chances of achieving their potential at GCSE.

**Your child should speak to their teacher to find out the start date of these classes.**
