

28th September 2018

Dear Parent/Guardian,

MFL Magazines

As your child is studying a foreign language, we are providing an opportunity to develop vocabulary, grammar and comprehension through a magazine.

The magazines are produced by a special MFL company called 'Mary Glasgow' and are packed with fresh cultural insight and teen interest topics. They are also carefully graded to boost vocabulary, grammar and comprehension and are perfect for building students' confidence and develop language learning.

There are 5 issues at regular intervals throughout a school year at a total price of £9.50, which also includes MP3s and unlimited web access.

Should you wish your child to take advantage of this special offer, please complete the slip below, clearly indicating the language and level. Payment is preferable via Parent Pay, but should you wish to pay by cheque, please make payable to **Mary Glasgow Magazines**. All forms should be handed directly to myself, so that the necessary orders can be placed.

Yours sincerely,

Mrs J Hudson
Head of MFL

Name of Student:
Tutor Group:
