

26 April 2017

Dear Parents/Carers

### Summer Uniform 2017

From **Tuesday 2 May** pupils will be allowed, if they wish, to wear the school summer uniform. This means that pupils will be able to wear a white polo shirt with the school logo displayed. Jumpers must not be worn over the top of the polo shirts. If pupils are cold, a school grey cardigan with the school logo may be worn or the full winter uniform. A reminder that hoodies and other jumpers are not permitted to be worn as coats. School cardigans are available for both boys and girls and can be purchased from the school suppliers 'Headmaster's Schoolwear' in New Mills.

All other rules regarding hooded/zipped tops, sweatshirts, canvas/linen/jeans/skinny trousers, suitable footwear (not canvas shoes) etc still apply. If in doubt please consult your child's planner (pages 6-7) or visit our school website.

To clarify, **the summer uniform is not compulsory**, however students wishing to continue to wear the normal uniform will be required to wear a tie and jumper. (Permission may be given by teachers to remove jumpers during lessons.)

Yours sincerely,

T A Ryan  
Deputy Headteacher
