Dear Parent/Carer,

I just want to inform you that the school will no longer be using the Insight service.

Insight was introduced some years ago as a means of letting parents access their child's academic reports electronically and also allowing parents to update their contact details in the same way. However, we do not feel that its current usage warrants good value for money and so we will no longer be using Insight.

The school's aim remains for parents to be able to access information such as reports electronically and we will now look at other ways to achieve this.

Yours sincerely,

**Mr S. Coyle**  
Assistant Head Teacher
