

20th April 2020

Dear Parent/ Carer,

The Modern Foreign Languages department has a fantastic opportunity to subscribe to an exciting online learning resource for French and Spanish.

This is Language is a wonderful website which produces authentic language videos based on the themes students study at GCSE. The videos are accompanied by academically rigorous exercises. Through games, points, competition and leader boards students stay inspired and motivated throughout.

During these challenging times we have the opportunity to use this innovative resource for free and request your permission to set up an account for your child. The privacy, usage and data protection policies and the terms and conditions can be viewed on their website at www.thisislanguage.com

If parents/carers give permission for school to set up an account for their child using their name and school email address, please could you contact the school by emailing enquiries@st-thomasmore.derbyshire.sch.uk to confirm. Once this has been set up, your child will receive a notification in *Show My Homework* with their initial login and a link to finish setting up their account with a temporary password which they will have to change.

We really hope you will give permission for your child to take part as we truly believe this is vitally important for them to practise their listening skills to keep up with the GCSE requirements during these exceptional times.

Thank you for your support.

Yours sincerely,

Mrs I Minshull
