Dear Parent/Carer

I am writing to inform you that we have experienced a cyber-attack at school this week.

The problem has been reported and we have staff handling the situation. Apparently, there has been a 70% increase in cybercrime nationally since lockdown; mainly due to the number of people working from home. So please be vigilant and let us know if you have any unusual online activity.

Please keep safe.

Yours sincerely

Mr B Hickey
Headteacher
