Dear Parents/Carers

INSET DAYS 2020/21:

Please see below details of the Inset Days planned for the academic year 2020/21:

As you are aware, these Inset Days are planned throughout the year and are vital both to supporting staff's professional development and to addressing aspects of the school's improvement plan.

This year, as we enter into our 3rd year of operation as an Academy within a Multi Academy Trust, we are expecting an inspection from Ofsted. We also had to adapt our curriculum and assessment systems significantly to work around the COVID-19 period of partial school closure. In order to provide our teachers, staff and governors with the additional support and training they need to be the best they can be for your child/children in the current climate, there will now be a 6th Inset day which will take place during the Autumn term.

The in-service training days will be:

Wed 2nd Sept
Thu 3rd Sept
Mon 28th Sept
Friday 6th Nov
Friday 4th Dec
Friday 12th Feb

As always, we thank you for continued support.

Yours sincerely
