

30<sup>th</sup> April 2020

Dear Parents/Carers

I hope you are managing ok at home and that you are able to keep yourselves safe and well.

I just wanted to update you on the timetable for the next 2 weeks.

As you will see from the tables below, we are keeping things more or less the same. The year 10s will be following their normal timetable and staff will be setting work on that basis. Year 11s should be receiving individual letters directing them to the appropriate work on showmyhomework. This is based on courses they have indicated they are considering studying in September. Please note that no work will be posted on Friday 8<sup>th</sup> May which would have been the bank holiday.

You will notice that there is something called 'together time' on the new schedule. Chris, our Chaplain will put a short reflection/activity on for the Monday slot for that week for all years 7-9, to help everyone feel and know that we are all still together.

Please be mindful of monitoring pupils' online activity. Up-to-date guidance will be posted on the website under Help for Pupils, Parents and Families page and also in the safeguarding section.

I know that staff are missing the pupils. I hope you all enjoyed the video message on twitter that Mrs Taylor put together from the staff earlier this week.

The most important thing is to keep yourselves safe and well, and remember, we are always there for you.

Best wishes

Mr B Hickey  
Headteacher

*Please see below for new curriculum timetable*

### Timetable from Monday 4<sup>th</sup> May 2020 during school closure

Click [here](#) for the link for the Joe Wicks Live Streaming PE or google Joe Wicks Live PE

#### Year 7
