

# Knowledge Mat: Art

## Key Knowledge for Year 10 in Art

### Term 1

- The practical study of a range of portrait artists
- Various techniques linked to the artists' work

### Term 2

- Application of artists' ideas and techniques to own work
- Use of photography to capture your own portraits

### Term 3

- Creation of a concluding Image that has strong links to the work of one or more artists

## Wider Experiences / Try To Do...

Aim to appreciate and use the work and ideas of other artists.

Use annotation to make critical comments about your work and to analyse the artists you studied

## The big questions:

- How can the study of other artists' work influence work and ideas.
- How to best use camera or phone to effectively capture portraits that link to your artists copies in terms of composition and lighting.
